## RESUME OF WILLIAM ALAN MAUER

William A. Mauer was born in Los Angeles, California, on 15 September 1930. He was granted a Bachelor of Arts degree in industrial relations by San Jose State University in 1955, a Master of Science degree in economics by Texas A&M College in 1957. In 1960 he was granted a Doctor of Philosophy degree by Duke University. His specialized areas of study were economics, mathematics, and statistics.

He taught at Tulane University from 1960 to 1963, at the University of Iowa from 1963 to 1966, and at the Navy Management Systems Center at the Naval Postgraduate School, Monterey, California from 1966-1973.

He then served as Bernard M. Baruch Professor of Management at the U. S. Army War College, Carlisle Barracks, Pennsylvania, from 1973 to June 1975.

In July 1975 he rejoined the faculty of the Naval Postgraduate School, Monterey, California, where he is teaching in the Defense Resources Management Education Center.

His current and continuing research/consulting activity is in the area of analytical decision processes, both in terms of application and in teaching methods.

He is a member of American Economic Association; American Statistical Association; the Econometric Society; Washington, D. C. Operations Research Council; and professional fraternities.
