Top Skills

C
Python
C++

Languages

German (Elementary)
Arabic (Native or Bilingual)
English (Full Professional)

Certifications

Convolutional Neural Networks by
deeplearning.ai on Coursera

Visual Perception for Self-Driving
Cars

Introduction to TensorFlow for
Artificial Intelligence, Machine
Learning, and Deep Learning by
deeplearning.ai on Coursera

Improving Deep Neural Networks:
Hyperparameter tuning,
Regularization and Optimization by
deeplearning.ai on Coursera

Robotics: Computational Motion
Planning

Honors-Awards

Cairo University Undergraduate
Research Day - Second Place
Award

Ahmed Hisham

Machine Learning Engineer at A-eye Tech
Cairo

Summary

A fresh graduate aerospace engineer who is passionate about autonomous systems, control theory, computer vision and machine learning.

Experience

A-eye Tech
10 months

Machine Learning Engineer
May 2021 - Present (8 months)

Machine Learning Intern
March 2021 - May 2021 (3 months)

Education

Cairo University
Master of Science - MS, Aerospace Engineering - Flight Mechanics and
Control · (2020 - 2023)

Cairo University
Bachelor of Science, Aerospace Engineering · (2015 - 2020)
