Muhammad Shahzad

Data analyst | ETL | Business Analyst | Data Science | Tableau
Karāchi

Summary

I have a passion to work with data and derive insights from it. Having worked on data science and machine learning projects, I am looking to further develop my skills and knowledge in a practical and fast-paced environment.

Field of Interest:

Machine Learning (ML)

Data Engineer

Computer Vision (CV)

Neural network

Data Mining

Natural Language Processing (NLP)

Bioinformatics

Data warehouse

Experience

Viftech Solutions (Pvt.) Ltd.

Business Analyst

February 2021 - June 2021 (5 months)

Karāchi, Sindh, Pakistan

Interns Pakistan

Frontend Developer

July 2020 - August 2020 (2 months)

Pakistan

i worked on challenges related to HTML/CSS/JS/PHP/WORD PRESS

Vivid Labs

Machine Learning Engineer

June 2020 - August 2020 (3 months)

karachi

I worked on machine learning related projects, my main responsibilities were implementing AI algorithms to get the desired outcome.

Tools Used: Python Programming Language, Spyder, NumPy, Pandas, Tableau, excel

PAF-Karachi Institute of Economics & Technology

Research Assistant

January 2019 - May 2020 (1 year 5 months)

Karāchi, Sindh, Pakistan

I worked on different projects, my main responsibilities were cleaning the data, data pre-processing and implementing machine learning and deep learning models to get the desired outcome.

DHA Suffa University

Game Developer - Game programming -object modelling

June 2017 - August 2017 (3 months)

DG-78, Off Khayaban-e-Tufail, Ph-VII (Ext. Phase 7 Ext Defence Housing Authority

I worked as an intern, completed a series of tasks assigned to me by my supervisors. These tasks were mainly about modeling and texturing of game objects, and it also included writing scripts

Tools used: Visual Studio, C# Programing Language, unity3D, 3D studio Max

Quran Academy

Data Entry Clerk

May 2016 - August 2016 (4 months)

DM-55, 34th Street, Darakhshan. Khayaban-e-Rahat, D.H.A Phase 6
Darakhshan Villa

I worked as a volunteer, performed CURD operations on data given to me by my supervisors

Tools used: MS Office Suite

Education

PAF-Karachi Institute of Economics & Technology

Bachelor's degree, Computer Science · (2016 - 2020)

DHA Sheikh Khalifa Bin Zayed College

Intermediate, Computer Science · (2014 - 2016)

Sea View Academy
