Projects

Walkers360-Questionnaire

<http://walkers360/QuestionnaireDashboard>

Walkers is a leading international law firm. We advise on the laws of Bermuda, the British Virgin Islands, the Cayman Islands, Guernsey, Ireland and Jersey.

Walkers360 is a Enterprise application for Walkersglobal team.

We at GD&D are implementing new feature "Questionnaire" in that application.

- In this feature admin can create a Questionnaire.
- Each Questionnaire consists of diffrents sections and questions
- Each Question consist of specific response type.
- Each question consist of sub questions and pre-request conditions .
- Each question can be mandatory or optional
- After creating question admin can enable and distribute to diffrents entity contacts .
- Distribution can be to "manster Group","master sub group" "master collaborative","collborative" or "simple distribution".
- After Distribution Questionnaire cannot be editable but can be of new verion or create a new copy.
- admin can amange questionnaire and view Distributions on distributions screen
- an automatically and manually email will b send to contacts and internal management team on diffrent Questionnaire related events.
- There is Emails Template management screen where admin can manage email templates.
- after distribution an sync process run that enabe questionnaire to visiable to client and client can submit /save as draft questionnaire.

Animal Quarantine Department Lahore Imports & Exports management System

Animal Quarantine Department Lahore Imports Exports and intenal documents management management System is a window based mangement system that managemnt all there Imports exports certificates and related finnnace and AQD admin can generate reports of previous imports exports and customers etc.

Walkers Global- SharePoint

<https://kysp16web01p.walkersglobal.com/>

Walkers is a leading international law firm. They provide legal, corporate, compliance and fiduciary services to global

corporations, financial institutions, capital markets participants and investment fund managers. Our clients are the most innovative firms and institutions across the financial markets, and rely on us for our ability to provide solutions to their most important legal and business issues. They develop globally-minded, entrepreneurial lawyers who are experts in their field and committed to client service. Walkers is consistently ranked in the top tier of the leading global legal directories. Recognized for being a 'dynamic team that is very user friendly', a regular comment by clients is that Walkers is the "go-to" firm for offshore legal advice.

We are developing an intranet Sharepoint Solution which is used for internal documents sharing, walkers internal Business processes.
