Data Scientist
Al Jizah

Summary

Data Scientist graduated from the Faculty of Information and Artificial Intelligence, Cairo University. and enrolled in the Artificial Intelligence Professional (AI-Pro) training program in Machine Learning and Artificial Intelligence at Information Technology Institute (ITI) which was developed in partnership with the French Graduate School of Computer Science and Advanced Technologies (EPITA).

Passionate Engineer & Thriving analyst with the ability to apply Machine and Deep Learning techniques and algorithm development to solve a real-world business problem. With proven success in building successful algorithms and predictive models for different industries. Highly adept at Clustering and Classification, Natural Language Processing, preprocessing, data cleaning, data analysis, and visualization to increase business efficiency.

Experience

Information Technology Institute (ITI)
Trainee
April 2021 - Present (9 months)
Cairo, Egypt

Education

Information Technology Institute (ITI)
Artificial Intelligence · (April 2021 - December 2021)

Cairo University
Bachelor of computer science degree, Decision Support and Information Technology · (2014 - 2019)
